

Abacus 7 Light LED Colour-Shifting Flare Pendant in Aged Brass with Opal Glass

SKU: 028151

Details

The Abacus collection is a celebration of form and function, where clean, minimalist lines are softened by varying-sized orbs of light. The 7-light flare pendant brings this distinctive mid-century-inspired aesthetic to a carefully considered configuration. Its clean lines radiate from the centre and are softened by varying-sized glass orbs suspended on adjustable arms, creating a balanced sculptural composition.

The wide-reaching form makes an eye-catching centrepiece above a dining table or within a living room or open-plan interior. Its adjustable arms allow the composition to be arranged to suit the space while retaining the collection's clean, minimal aesthetic.

The aged brass finish with gloss opal glass offers timeless elegance, bringing a softer, more ethereal quality to the design while brightening modern and mid-century-inspired interiors. For a different expression of the same design, choose textured black with frosted opal glass for a bold, graphic presence, or bronze with sepia glass for a warm, nostalgic mid-century character.

The Abacus collection features integrated energy-saving LEDs with a choice of Warm White (3000K), Cool White (4000K), or Daylight (5000K). The preferred colour temperature is selected using the toggle switch on the fitting and must be set at the time of installation.

The Abacus collection is also available as a dramatic 16-light multi-drop pendant for voids and tall ceilings, an 8-light linear pendant for kitchen islands and dining tables, and a versatile 3-light design that can be installed as a pendant or wall light.

Specifications

SKU	028151
Colour/Finish	Aged Brass/Gloss Opal Glass
Dimmable	Yes
Recommended Dimmers	Lucci LEDlux SKU# 290998, 290997, 299043, 290989, 290992, 290993, 290994. Buster + Punch SKU# 299098,

	299099, 299100 299101. Artisan SKU#197015, 197016, 197017, 197018.
Globe Type	Integrated LED
