

Aqualux 24V 6W LED MR16 Globe in Warm White

SKU: 119054

$29.95 (inc GST)

Details

The Aqualux 24V 6W LED MR16 globe in warm white provides efficient, focused illumination ideal for landscape and architectural lighting applications. Emitting 560 lumens at 3000K, it delivers a comfortable, ambient glow with a 40-degree beam angle for balanced light distribution. With an efficacy of 93.3 lumens per watt and a CRI of 82, it ensures accurate colour rendering and energy-efficient performance. Designed for 24V fittings, this non-dimmable globe offers dependable output and long-lasting reliability in both indoor and outdoor settings. The Aqualux LED MR16 globe combines clarity, precision, and durability for consistent lighting quality.
