Details

The Auckland pendant combines clear glass with natural stone detailing for a contemporary take on classic glass lighting. Available in beige with natural travertine or brushed chrome with silver travertine, the stone accents introduce organic texture to its streamlined form. The collection includes a 1 light pendant and a 5 light cluster, allowing the look to work across kitchen islands, bedsides and larger feature spaces. The 5 light pendant features extended 3 metre suspensions, making it particularly suited to stairwells and voids. Clear cylindrical glass shades keep the design light and open while showcasing the decorative globes within. Auckland offers a considered mix of glass, stone and metal for modern interiors.
