Bellini Pendant Collection

The Bellini collection refines classic form with quiet sophistication. Featuring graceful brass or bronze arms that support spherical glass shades, this collection is a refined statement for any space. With options to suit various room sizes and applications, the Bellini offers incredible versatility. The 3-light pendant offers a cosy glow, ideal for hallways or bedrooms, while the 5-light version delivers ample illumination for living rooms or dining areas. For dramatic spaces like large voids or stairwells, the 9-light option creates a stunning focal point with its grand scale and cascading design. Choose from a timeless brass finish paired with white glass shades for a classic, versatile look, or opt for the bronze finish with sepia glass shades to introduce a warm, retro-inspired charm.
TIP: Use the 9-light pendant in double-height spaces to create a striking visual centrepiece.
