Details

The MFL Forge Modern complete switches are crafted from durable stainless steel and available in matte black, white, brass, or aged nickel finishes. With a sleek, slim profile, these grid plates fit seamlessly into any room, offering grid arrangements from 1G to 4G, and can be mounted vertically or horizontally for added flexibility. For convenience, we've created bundle SKUs that group the most popular combinations together. These bundles make it easy to shop by colour and style within each family.
