Details

Architectural styling and innovation designed for versatility.
The MFL Harlo track light features our unique 4-way CCT technology offering warm white, cool white, and daylight options via the toggle switch or scene change at the wall switch. Dimmable and adjustable providing customisable illumination to suit any setting. With a 40-degree reflector and low-glare inset reflector design, it ensures comfortable and efficient lighting.
For a coordinated lighting scheme, consider pairing it with the matching downlight.
