

Bond Metal Shade in Black

SKU: 269322

$99.95 (inc GST)

Details

Bond is an arc-style floor lamp supported by a solid marble base. It features a black, adjustable rod. Designed as a mix and match range, we have a modern black metal shade or white opal glass shade to choose from. It is also compatable with our existing Darly shades. This style is perfect over a dining table as an overhead light or styled in a living room as a focal piece.
