

Bridge 1.5m LED Colour-Shifting Linear Pendant in Ribbed White Gypsum

SKU: 028160

Details

Bridge 1.5m LED Colour-Shifting Linear Pendant
Blending earthen elements with minimalist styling, the Bridge linear pendant is a celebration of materiality and advanced design. Available in five distinct finishes, each offers unique charm: White Gypsum with its crisp ribbing, Clay with a smooth, velvety warmth, and Stone with subtle organic textures. Lava Stone and Travertine are carved from solid natural rock, with Lava Stone showcasing bold, pitted surfaces characteristic of volcanic formations, while Travertine reveals the stunning veining and tonal variations of Turkish stone, making each piece truly one of a kind.
Ideal for island benches, the Bridge pendant combines its striking natural materials with low-glare LED lighting to deliver both functionality and style. Its sleek, linear design is perfect for contemporary spaces, adding warmth and depth with its earthen finishes.
TIP: Customise your lighting experience with Scene Control technology, cycling through Cool White, Warm White, and Daylight via a standard wall switch. The pendant is also dimmable, allowing you to fine-tune the brightness to suit the mood, whether for tasks or creating a relaxing ambience.

Specifications

SKU	028160
Colour/Finish	White
Dimmable	Yes
Globe Type	Integrated LED
Globe Quantity	0
Wattage Max	43W
Kelvins	3000K/4000K/5000K
Lumens	2100
Efficacy	48.8
Colour Temperature	Warm White/Cool White/Day Light
Location	Indoor Use Only

Voltage	240V
Suspension	1500
