

Nova 485mm LED Colour Switching IP44 Flush Mount in White

SKU: 181077

Details

The Nova large CCT LED flush mount is designed for spacious rooms requiring higher light output. Its white finish and clear acrylic trim are paired with an edge-lit design that delivers broad, consistent illumination with a clean ceiling profile. Delivering 2,400 lumens from a 36W output, this flush mount offers selectable colour temperatures of 3000K, 4000K or 5000K, controlled via the toggle switch on the fitting. Dimmable functionality allows light levels to be adjusted as needed, while a colour rendering index above 90 supports accurate colour definition. With an IP44 rating and a 48.5 centimetre diameter, the Lucci Nova large flush mount is suited to larger living areas, open-plan rooms and workspaces.
