

Abacus 3 Light LED Colour-Shifting Single Drop Convertible Pendant/Wall Light in Black with Frosted Opal Glass

SKU: 028149

Details

The Abacus collection is a celebration of form and function, where clean, minimalist lines are softened by varying-sized orbs of light. The 3-light single-drop pendant and wall light brings this distinctive mid-century-inspired aesthetic to a carefully considered configuration. Its varying-sized glass orbs form a sleek single drop, while the adaptable bracket allows the design to be installed as either a pendant or wall light.

This adaptable design is ideal for creating a point of interest beside the bed, in powder rooms, within a small void, or as an eye-catching end piece above an island bench. Use it individually or install several together to create a unique lighting composition.

The textured black finish with frosted opal glass adds a bold, graphic element to the interior, delivering a sleek contemporary aesthetic while the softly diffused orbs balance the strong architectural lines. For a different expression of the same design, choose aged brass with gloss opal glass for a softer, more refined presence, or bronze with sepia glass for a warm, nostalgic mid-century character.

The Abacus collection features integrated energy-saving LEDs with a choice of Warm White (3000K), Cool White (4000K), or Daylight (5000K). The preferred colour temperature is selected using the toggle switch on the fitting and must be set at the time of installation.

The Abacus collection is also available as a dramatic 16-light multi-drop pendant for voids and tall ceilings, an 8-light linear pendant for kitchen islands and dining tables, and a 7-light flare pendant with adjustable arms for a sculptural centrepiece.

Specifications

SKU	028149
Colour/Finish	Black/Frosted Opal Glass
Dimmable	Yes
Globe Type	Integrated LED
Globe Quantity	3

Wattage Max	12W
Kelvins	3000K/4000K/5000K
