Made in Spain
Blend timeless elegance with modern allure. The Calido 3-tiered shades, handcrafted in Spain from superior materials, offer sophisticated and elegant light shades. Handmade by experienced artisans with over 50 years of expertise, each shade reflects the meticulous craftsmanship and calming Mediterranean style Spanish design is known for. With Calido, you bring home a small piece of Spain.
Calido shades are designed to make a bold statement and have a striking presence. Available in three colourways - white linen, bleach hessian, and natural raffia - catering to natural, modern, and coastal styles. These shades are ideal for hanging over a large dining table or on a shorter suspension to create a statement close-to-ceiling (CTC) feature.
To complete your desired look, pair these exceptional shades with our Create II mix-and-match cords. You can choose a cord that complements the shade, creating a harmonious ensemble. Or, go for a contrasting cord to add visual interest and make a statement. Elevate your interior with the Calido collection, where impeccable craftsmanship, Mediterranean charm, and endless design possibilities come together.
