SKU: 031092

$249.00 (inc GST)

Details

The Coach pendant collection pairs clear glass shades with classic metal detailing for a refined take on farmhouse-inspired lighting. Available in chrome, aged brass or bronze, each finish frames the tapered glass shade and highlights the globe within. Choose from a single pendant or 3 light linear pendant to suit different spaces, from bedside and dining areas to kitchen islands and pool tables. The clear glass design works particularly well with decorative filament globes, adding warmth and character while keeping the overall look light and open. The 3 light linear pendant carries the same detailing across an elongated frame, creating a balanced feature above longer surfaces. Coach suits farmhouse, industrial and transitional interiors with its simple combination of glass and metal.
