

Ace 668mm Wall Bracket in Polished Chrome

SKU: 197087

Details

The Ace Wall Bracket delivers bold simplicity through a long, linear form that produces bright, even illumination ideal for task lighting. With a clean, streamlined profile, it provides efficient light while maintaining a refined architectural presence.
Available in black, white and polished chrome, Ace suits a variety of interior styles from modern to minimalist. The fitting can be installed vertically or horizontally, offering flexible placement above mirrors or on either side for balanced lighting. Rated IP44 for safe use in wet areas, it's well suited to bathrooms and powder rooms. A replaceable LED T8 tube provides energy-efficient performance and added peace of mind, making it a practical and more sustainable lighting choice.
TIP Install vertically on either side of a mirror to create flattering, even light for everyday routines.
