

Coates LED Floor Lamp in Antique Brass with Brown Marble Base

SKU: 250212

Details

Introducing the Coates LED touch lamp collection, a perfect fusion of modern style and functionality. Crafted with a material mix of antique brass and brown marble, the Coates lamps exude sophistication. Combining these high-quality materials creates a visually appealing contrast that effortlessly elevates any room's aesthetic.

Featuring a sleek and modern L-shaped body, these lamps are designed to slide in easily around furniture or fit perfectly onto your desk, maximising space without compromising on style.

The Coates LED touch lamp collection offers both a floor lamp and a desk lamp option to suit your requirements. The floor lamp is equipped with a foot pedal for effortless control, while the desk lamp is a convenient touch lamp that allows you to adjust the lighting with a simple touch.

With an adjustable rod, you can customise the height of the floor lamp according to your preference, allowing you to create the perfect lighting atmosphere.

Whether you need focused task lighting for work or ambient lighting for relaxation, the Coates touch lamp collection provides the ideal solution, combining functionality and aesthetics in one stunning package.
