

Contour LED Colour-Shifting Rectangle Mirror in White

SKU: 190832

$595.00 (inc GST)

Details

The Contour mirror collection redefines modern elegance with its sleek, minimalist design, featuring a clean white frame that complements any bathroom vanity. Available in four timeless shapes—round, oval, curved and arch—this LED mirror range combines refined style with everyday functionality. Crafted from durable metal and glass, the collection is IP44-rated for use in wet areas and designed to deliver exceptional illumination for modern bathrooms.

Across the collection, innovative 4-way CCT technology allows you to choose between Cool White, Warm White or Natural White during installation, or opt for the adaptable Colour Shift feature. With Colour Shift, the light tone and mood can be adjusted at any time with a simple flick of the wall switch.

Designed to deliver exceptional light quality, the mirrors feature a high Colour Rendering Index (CRI 90), ensuring accurate colour representation that's essential for makeup application, grooming and everyday routines.

The mirror comes with a crisp white frame as standard, while interchangeable covers in bronze, black, aged brass and brushed chrome (sold separately) allow you to coordinate effortlessly with surrounding tapware and hardware for a cohesive bathroom finish.

The Contour collection is available in two lighting styles to suit different applications. The forward-lit model directs light outward from the mirror, providing bright, practical illumination ideal for task-focused spaces such as main bathrooms, shared family vanities or grooming areas where clarity is essential. The back-lit model softly illuminates the wall behind the mirror, creating a gentle halo effect that enhances atmosphere—perfect for powder rooms, luxury ensuites or spaces designed to feel calm and relaxing.

TIP

Select the Colour Shift feature to transition seamlessly from bright Cool White light for morning routines to a soft Warm White glow, creating a relaxing, spa-like atmosphere in the evening.

Specifications

SKU	190832
