

Create II Tall Diamond Shade in Frosted Opal Glass

SKU: 011450

Details

Create II is a collection of cord sets, finishing kits and shades that allow you to create a personalised, minimalist pendant in various colour combinations and shapes.
Mix and match for over 250 configurations, exploring combinations of cord colours, shades and finishing kits to find the perfect pairing for your space.
Create II shades are available in Bottle, Round and Tall Diamond shapes in 3 finishes; clear glass, matte opal and sepia.
Clear glass offers a classic, unobtrusive look that is easily placed in almost any home and looks great when paired with the brushed chrome finishing kits and a soft grey cord.
The matte opal glass is an elegant choice, with its diffused light creating gentle silhouettes of light. Elevate these shades with an Aged Brass finishing kit and delicate white cord, or add a sense of monochromatic boldness by pairing them with a black-on-black finishing kit and cord.
For a more mid-century look, Sepia glass brings nostalgic charm and warmth. Sepia pairs beautifully with any of the metallics, but our favourite is the bronze finishing kit and natural cord that celebrates mid-century modern to the fullest.
Please note this shade requires a Create II Suspension Cord and Finishing Kit, sold separately.
