SKU: 216183

$59.95 (inc GST)

Details

The Aerogo portable camping fan combines cooling, lighting and charging functionality in a rugged design built for outdoor adventures and everyday use. Compact and rechargeable, it features an integrated carry handle and hanging hook, making it easy to transport, place on a surface or suspend inside tents, caravans or outdoor shelters.
Powered by a high-capacity rechargeable battery, the Aerogo offers four fan speeds and a built-in LED light with four brightness settings, allowing it to function as both a fan and lantern. The USB-A output also enables the unit to be used as a power bank for charging devices while on the go. With its adjustable head providing up to 270 degrees of rotation, airflow and light can be directed exactly where needed. Whether camping, working outdoors or preparing for power outages at home, the Aerogo delivers versatile portable comfort in a durable all-in-one design.
