SKU: 018149

Details

Everest is a celebration of minimalist design at its best, with simple geometric forms in a classic monochromatic palette. Stunningly simple, the Everest collection features textured surfaces in matte black or a warm chalk finish.
The pendants are available in either a cone or conical design, with additional options including a narrower tall shape and a deeper large version of the conical at the same diameter. The matching wall bracket complements the collection with its compact yet impactful design choice.
