

Fjord 1 Light Large Dome Pendant in Stone Concrete

SKU: 018178

Details

As its name suggests, Fjord takes its inspiration from nature. Gypsum and concrete are thoughtfully formed into organic shapes, with the stone option featuring an organic pitted concrete finish, adding a tactile and ethereal quality to your space. In contrast, the Clay option offers a smooth matte finish, bringing a sense of natural luxury with its velvet-like, chalky appearance.
The warmth and scale of the Fjord large dome pendant make it an exciting addition to any interior. The collection's versatile materials and finishes suit a wide variety of current interior styles, from modern and minimalist to industrial and farmhouse. Elevate your decor with the Fjord collection, where natural inspiration meets sophisticated design.
