

GE 2.5W LED MR11 Globe in Warm White

SKU: 121964

Details

The GE LED MR11 globe is designed for precise, directional lighting in compact fittings. This 3000K warm white option delivers a comfortable light tone suited to accent and feature lighting applications. Operating on 12V low voltage systems and constructed from glass, this non-dimmable globe is suited to small-format downlights, spotlights and track fittings. Backed by a 3-year warranty, it provides a reliable solution for both residential and commercial use.
