
GE 20W LED 1200mm T8 Tube in Cool White

SKU: 121229

$25.95 (inc GST)

Details

The GE LED T8 tube is a versatile replacement option for existing T8 fittings, designed to deliver adjustable light output for a wide range of applications.
This tube produces up to 2,100 lumens from an 20W output and features cool white colour temperature of 4000K. A wide 180-degree beam angle supports even light distribution, while dimmable operation provides added flexibility when used with compatible systems. Measuring 2.8 centimetres in diameter and 120 centimetres in length, the GE LED T8 tube offers a practical, adaptable lighting solution backed by a three-year warranty.

Specifications

SKU	121229
Globe Type	Integrated LED
Globe Shape	Linear T8
Colour Temperature	Cool White
