

Aksel 1 Light 200mm Pendant in Black with Clear Glass

SKU: 011220

Details

The Aksel pendants are very contemporary and dramatic in appearance and are the epitome of mid-century design. Available in a matte black or solid brass, with hand blown glass that provides clarity of light, these pendants will look great clustered together using all different sizes for a bold effect and would make a stunning addition to any room. Please note, the solid brass will develop in colour over time and can be polished back to its original colour, and when attaching the glass use only a light touch as this glass does not need to be screwed on too tightly.
