

GE 3.6W GU10 Globe in Day Light

SKU: 121969

Details

The GE LED GU10 globe is a practical lighting solution designed for bright, task-focused spaces. Emitting a crisp 6500K daylight output, it suits areas where clarity and visibility are essential. This globe delivers 380 lumens with a 60-degree beam angle, providing even light distribution across work surfaces and general areas. Measuring 5 centimetres in diameter and 5.5 centimetres in height, it is suitable for a wide range of GU10 fittings. With a colour rendering index above 80 and a three-year warranty, the GE LED GU10 globe is a reliable choice for everyday task lighting applications.
