

Aksel 1 Light Wall Bracket in Solid Brass with Clear Glass

SKU: 011209

Details

The new Aksel adjustable wall brackets are very contemporary and dramatic in appearance. Available in a matte black or solid brass, with hand blown glass that provides clarity of light, these wall brackets will make a stunning addition to any room. Please note, the solid brass wall bracket will develop in colour over time and can be polished back to its original colour, and when attaching the glass use only a light touch as this glass does not need to be screwed on too tightly.
