

Huston II LED Track Spot Light in White

SKU: 149068

$189.00 (inc GST)

Details

The Huston II track spot offers a sleek, modern design that seamlessly integrates into kitchens, open spaces, and hallways. Available in white or black, this high-performance track spot features a unique adjustable beam spread lens, allowing precise light direction. Its 4-way CCT function provides flexible lighting options, enabling fixed colour temperature selection via the switch on the product or control through the wall switch, ensuring compatibility with most decors. Crafted from a combination of plastic and metal, the Huston II combines durability with style. With easy installation and a 12W output, it delivers reliable illumination for various applications. Backed by a 3-year warranty, this track spot offers a high-quality lighting solution designed for lasting performance.
