

LIFX Outdoor 12 Light IP66 Exterior LED String Light with RGB + White in Black

SKU: 221170

Details

Engineered to maximise LIFX FX prowess and LIFX iconic PolyChrome and SuperColour blends, the LIFX Outdoor String Lights are not just a light — they are an experience. Think the Aurora Australis in your very own backyard this BBQ season. And if you're ever over-saturated with colour, it also has stunning white LEDs that can set the mood to a more sophisticated low-key vibe.

Key Features

Works with Matter over Wi-Fi

No hub required (when onboarded with the LIFX App)

LIFX SuperColour LEDs = 5x brighter colour*

https://www.lifx.com.au/pages/outdoor-calculator

Outdoor power supply included

In the box:

7.3m length string light

12 uniquely addressable LED bulbs

Outdoor rated power supply

LIFX Wi-Fi smart controller

3.2m length power cable

Welcome to the future.

Goodbye old-school string light, hello ultra futuristic 'envy-of-your-friends', vibe setting outdoor lighting. Create hypnotic effects to suit the moment, from shifting sunsets or rolling rainbows to gently flowing icy whites–or just set and forget with easy routines.

Blended lighting FX.

With LIFX Polychrome, you can create mesmerising textured light and effects made up of many tones with one product. Each bulb has 3 addressable zones per bulb. That's a total of 36 zones per String Light.

Extend to suit your space.

Each String Light is 7.3m long and includes 12 uniquely addressable LED bulbs. You can connect up to 3 kits together

for a total length of 21.9m.
All new colour controls
LIFX String is the first of a series of Polychrome products to use our brand new colour wheel. With Solid, Complementary and Custom paint modes.
Solid: Like the old wheel, but better, with finer saturation control. Paint your entire string light in the perfect hue.
Complementary: Take the guess work out and allow the app to select the perfect accent colours and let that Polychrome shine.
Custom: Get creative and select the colours you want and show off your lighting designer props.
Designed in Melbourne.
Did you know LIFX started in Melbourne in 2012? And they are still based in the creative tech-hub of Cremorne. Their team of in-house Engineers and Product Designers worked passionately on the String Light with a goal of staying true to a classic form factor but adding a touch of LIFX.
**LIFX colours have tested up to 5x more powerful than other smart brands across flagship products. Visit lifx.com/supercolour for details.*
Compatible with: Matter, Google Home, Apple Home, Alexa, Samsung SmartThings, Home Assistant, Razer Chroma.
