

Lucci 2 Metre Aluminium LED Recessed Joinery Profile in Silver

SKU: 177134

$49.95 (inc GST)

Details

Integrate strip lighting neatly into cabinetry and joinery with this 2 metre recessed aluminium profile in silver and opal. It is ideal for kitchens, wardrobes, display cabinets and shelving where a streamlined built-in result is required.
The recessed design blends into the surface for a clean, professional finish. The aluminium channel helps protect the LED strip during installation, while the opal diffuser creates a softer, more even line of light. The profile can be cut to size to suit your joinery.

Compatibility

Designed for use with Lucci Glow Classic and Lucci Glow Dynamic LED Strip Light kits. Compatible with LED strip up to a maximum width of 12mm.
