

Lucci Power Gravity Twin 10A GPO in Gloss White

SKU: 299748

Details

Lucci Power Gravity powerpoints are sturdy and designed for easy installation and long-lasting durability. Featuring a 13mm depth face plate and 84mm screw centres, this GPO is the industry standard and can be easily installed on tile, timber, concrete, or brick. The black and white matte finish, and gloss white is made of UV stable and scratch-durable plastics, ensures that this powerpoint will look great in any setting. With large terminals and backed-out screws, the Lucci Power Gravity GPO is built for easy installation and convenience. Plus, with a 25-year warranty and mounting screws included, you can be sure that this GPO will provide reliable and lasting performance.
