

# Aqualux 24V 6W LED MR16 Globe in Warm White

SKU: 119054

$29.95 (inc GST)

**Details**

The Aqualux 24V 6W LED MR16 globe in warm white provides efficient, focused illumination ideal for landscape and architectural lighting applications. Emitting 560 lumens at 3000K, it delivers a comfortable, ambient glow with a 40-degree beam angle for balanced light distribution. With an efficacy of 93.3 lumens per watt and a CRI of 82, it ensures accurate colour rendering and energy-efficient performance. Designed for 24V fittings, this non-dimmable globe offers dependable output and long-lasting reliability in both indoor and outdoor settings. The Aqualux LED MR16 globe combines clarity, precision, and durability for consistent lighting quality.
