

Arne LED Portable Rechargeable Table Lamp in Natural Travertine with Opal Glass

SKU: 271660

Details

The Arne portable LED table lamp in natural travertine with opal glass features a soft, modern design that combines natural stone with a smooth diffused shade. The balanced combination of materials creates a refined look suited to contemporary interiors. An integrated LED delivers adjustable colour temperatures of 3000K, 4000K or 5000K with touch dimming functionality for flexible lighting control. Rechargeable operation allows the lamp to be moved easily between spaces, making it suited to bedside settings, living areas or portable ambient lighting applications.
