

MFL Solstice 350mm LED Rise and Fall Pendant in Bronze

SKU: 027090

Details

The Solstice rise and fall pendant combines a refined mid-century silhouette with adjustable functionality, making it a versatile feature above kitchen islands, dining tables or beside the bed. The sculptural shade and slim suspension create a balanced, contemporary profile, available in black, chalk, bronze or brushed nickel to suit a range of interior styles. Designed with an adjustable rise and fall suspension, the pendant height can be easily altered to suit the space and lighting needs. Integrated LED technology provides selectable colour temperatures of 3000K, 4000K or 5000K via a wall switch or switch on the fitting, allowing the atmosphere to be tailored throughout the day. With dimmable functionality, high colour rendering and a combination of downlight and subtle uplight, the Solstice pendant delivers a wide, comfortable spread of light across the surface below.
