

MFL Tanimi Rock LED Up/Down Wall Bracket in Speckled Black

SKU: 231373

Details

Inspired by the Australian landscape, the Tanimi Rock up/down wall light showcases architectural forms and naturalised materials to achieve a distinct, earthy aesthetic. Designed for outdoor use, it is coastal-rated and available in a selection of finishes – black speckle, natural, and textured slate – to complement a variety of exterior palettes. Crafted from a combination of cement, aluminium, and glass, the Tanimi Rock offers both durability and visual interest. Its 12W integrated LED produces 600 lumens of warm 3000K light, providing subtle yet effective illumination. With an IP65 rating and a compact size that suits pairing, this fixture adds a grounded, architectural statement to any wall.
