Details

The Aspen Collection brings a touch of vintage elegance to any space, featuring antique brass chandeliers with classic clear glass shades. Available in both 5-light and 10-light configurations, these chandeliers showcase a timeless design that blends traditional charm with modern functionality. Each fixture can be installed as a pendant or close to the ceiling, allowing for versatility in rooms with varying ceiling heights. The antique brass finish adds warmth and a nostalgic, vintage appeal, while the clear glass shades enhance the light, creating a welcoming ambiance.

The 5-light chandelier is ideal for smaller spaces such as dining rooms, kitchens, or cozy living rooms, where it serves as an elegant focal point. The 10-light chandelier, with its larger presence, is perfect for expansive dining rooms, open-plan areas, or entryways, adding an impressive, vintage-inspired statement. To complete the look, the collection also offers a matching Aspen wall light, allowing you to create a cohesive lighting design throughout your home.

TIP:

Use Aspen wall lights in conjunction with chandeliers for a layered, harmonious look that enhances the collection's vintage charm and unifies your decor.
