

Aston LED Touch Table Lamp in Olive

SKU: 259188

Details

The Aston desk lamp features a slim, minimalist profile designed for focused task lighting without taking up unnecessary space. Available in black, white, blue and olive, the contemporary colour palette adds a subtle decorative element to desks, bedside tables and study spaces. Its adjustable design allows the light to be positioned where needed, while the integrated LED provides 400 lumens of practical illumination. Touch controls offer smooth dimming and a choice of three colour temperatures – 3000K, 4000K or 6000K – for greater flexibility throughout the day. The compact base and streamlined form make Aston particularly suited to smaller workspaces. Aston combines functional task lighting with a clean, contemporary design for everyday use.

Specifications
