

Parsec Mini DC Exhaust Fan/LED Light with 114mm Dia Cut Out in White

SKU: 200080

$99.95 (inc GST)

Details

The Parsec mini exhaust fan with LED light offers a sleek, low-profile solution for compact spaces, seamlessly blending into ceilings with the look of a classic downlight. Its built-in LED delivers 350 lumens with CCT selection at installation, while the efficient DC motor quietly extracts stale air. Perfect for euro laundries, powder rooms, and toilets, it's designed to manage odours without disrupting your lighting plan. With a 114mm cutout, spring clips, and plug-and-lead setup, installation is quick and easy. Fan and light can be operated independently for added flexibility.

Certified Airflow Performance

This fan has been tested to the internationally recognised ISO 5801 standard, ensuring its airflow performance is accurately measured and validated in real-world applications.
