

## Atlanta 183cm DC Fan with Light in Oil Rubbed Bronze with Koa Blades

SKU: 213186

---

### Details

The Atlanta is a DC ceiling fan that uses less electricity while producing the same airflow and silent motor operation. With 7 Aluminium blades, the 183cm Atlanta is alfresco rated, and great to use in homes that are in areas of Australia that feature quite high humidity.

Available in 142cm, 183cm or 208cm and in white, black, oil rubbed bronze with koa blades, and the latest addition – ColorBond® Monument® Grey.

### DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC, or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

### Remote Control

6-speed rechargeable remote control. \*USB-C cord and charger are not included. For instructions on how to pair the remote, please follow the steps in this video: [Remote Pairing](#)

### Optional Light

Versatility to use light with included GX53 globe, or use included cap to cover the socket for a no light option. The GX53 globe included has colour changing technology (warm-white, cool-white and daylight), and can be smooth dimmed via the remote control.

### Alfresco Rating

Suitable for indoor and alfresco areas provided the fan is fully undercover, protected from water, wind, dust, and salt, with a minimum of 2 walls.

### Recommended Room Size

For rooms between 4m x 4m or greater, we recommend a fan between 142cm and above.

### 2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans that were purchased from 1st October 2022. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
