

Avenue LED Colour-Switching Tall Drop Pendant in Brass

SKU: 020944

Details

The Avenue collection offers modern illumination with its integrated LED technology. Defined by clean lines and architectural structure, the Avenue is ideal for contemporary homes, illuminating outward to showcase its unique silhouette and is dimmable for customisable ambience.
With its minimalist style, Avenue is versatile, whether you're looking for a linear lighting option for over an island bench, a striking drop pendant to cluster in a large void, or a close to ceiling light for impact in an entry way. Its colour changing CCT occurs via a toggle switch, so you can select between cool white, warm white and daylight at the time of installation.
Crafted from metal, this collection offers efficient lighting control. Elevate your space with the minimalist and modern design of the Avenue.
