Soleado Shade Collection

The Soleado collection is handmade in Spain, celebrating natural beauty and artisanal craftsmanship. Available in two distinct shapes and a choice of premium hessian or raffia, these shades bring texture, warmth, and character to your interiors. The tapered shade offers understated elegance with its soft, cascading fringe, while the flare shade makes a bold statement with layered fringe details. Compatible with our range of Create suspension cords, you can personalise your look Soleado is perfect for bohemian, coastal, or earthy spaces with a relaxed, organic vibe.

TIP: Pair with warm-toned globes for a cosy glow that highlights the natural textures of the hessian and raffia materials.
