

Bambino Drop Pendant in Natural Travertine

SKU: 010937

Details

The Bambino pendant range in natural travertine features soft curved shapes that highlight the organic texture and variation of natural stone. Available in dome and drop silhouettes, the range brings a refined, earthenware-inspired look to contemporary interiors while showcasing the unique veining and layered patterns within each piece. Designed for an ES globe up to 45W, the Bambino range provides ambient lighting for kitchen islands, bedside settings, hall tables or powder rooms. A 2000mm suspension supports flexible installation across a range of ceiling heights, while the compact scale allows the pendants to be used individually or clustered for greater visual impact.
