

Starlight LED Recessed Adjustable Warm White 50mm Cut Out Downlight in Black

SKU: 170741

Details

The Starlight Adjustable Downlight offers a compact lighting solution, ideal for highlighting artwork, display shelves, decorative features and smaller spaces where directional lighting is desired. Featuring an adjustable head to direct light where needed, a 3.5W integrated LED delivering 280 lumens and a 50mm cut-out, it provides focused illumination with minimal visual impact. Available in Black and White finishes, with Warm White (3000K) and Cool White (4000K) options to suit your space.
