

Basilica 142cm DC Fan Only in Brass with Teak/Walnut Blades

SKU: 210237

$529.00 (inc GST)

Details

Elevate your space with the Basilica fan, available in three stunning finishes: white with reversible whitewash blades, brass with reversible teak/walnut blades, and bronze with walnut blades. This fan combines traditional American design with modern functionality, featuring a 142cm sweep with five elegant plywood blades. Please note, the light kit is sold separately. Experience timeless elegance with the Basilica fan.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Reversible Blades

The blades come in white but can be flipped over for a teak or walnut finish.

Remote Control

6-speed rechargeable remote control. *USB-C cord and charger are not included. Our rechargeable remotes currently do not support USB-C fast charging, a USB-C to USB-A cord is required. For instructions on how to pair the remote, please follow the steps in this video: Remote Pairing

Smart Compatible

Insert the Lucci Connect Wi-Fi Module (sold separately - 216180) into the receiver to activate smart functionalities. Once paired with the Lucci Connect app, you can turn your fan on/off, adjust its speed, set timers, and even create schedules based on the temperature outside.

Optional Light (Sold Separately)

Optional light is available for this fan but is sold separately.

Indoor Rating

Suitable for indoor use only.

Recommended Room Size

For rooms between 4m x 4m or greater, we recommend a fan between 142cm and above.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans that were purchased from 1st October 2022. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
