

Bayside Calypso 122cm DC Fan with Light in Black

SKU: 213014

Details

The Bayside Calypso DC fan offers a modern, compact design ideal for bedrooms and smaller spaces. Featuring the same look as the original AC Calypso, this updated version is equipped with a quiet and energy-efficient 39W DC motor, delivering an airflow of up to 192m^3 per minute.
Available in black and white.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Wall Switch

3-speed wall switch included.

Optional Light

Versatility to use light with GX53 globe (sold separately), or use included cap to cover the socket for a no light option.

Coastal Rating

Suitable for indoor, alfresco, and coastal areas provided the fan is fully undercover, protected from water, wind, and dust, with a minimum of 1 wall.

Recommended Room Size

For rooms up to 3m x 3m, we recommend a 122cm fan or lower.

2 + 4 Year Warranty

We provide a 2-year in-home warranty on all Bayside fans plus a 4-year parts replacement warranty from the date of purchase.
