

Valerie Floor Lamp in Aged Brass with Travertine and White Linen

SKU: 261545

Details

The Valerie floor lamp makes a statement with its sweeping arc silhouette, natural stone base and softly tapered linen shade. Available in aged brass with natural travertine and white linen or bronze with brown marble and natural linen, each finish combines warm metals with the character of natural stone. Its adjustable arc allows the light to be positioned where needed, making Valerie ideal beside a sofa or lounge chair. The generous proportions create impact in larger living spaces while maintaining a light, elegant profile. Designed to coordinate with the Sandrine lamp collection, Valerie makes it easy to carry complementary stone and linen details throughout the home. As each base is crafted from natural stone, variations in colour, tone and pattern are to be expected and make every piece unique. Please note: the solid marble base is heavy, weighing approximately 19kg.

Specifications
