Bayside Sans LED 400mm Colour Switching Flush Mount in White

SKU: 189203

$199.00 (inc GST)

Details

Measuring in at only 25mm deep, Bayside Sans is our sleekest flush mount option, while still managing to pack in the latest LED technology!
This ultra-low-profile design features tri-colour changing via a switch on the product, dimmable functionality, easy install mounting plate, and a prismatic diffuser that helps disperse light and reduce overall glare.
