Details

The Vynco Metro range of switches is designed for those who demand both style and performance. Crafted with reinforced metal screw holes and reinforced plates, these switches offer exceptional durability and strength. Featuring a sleek 6mm slim profile, the Vynco Metro switches are available in timeless matte black and white finishes, with gloss detail to add a touch of modern sophistication to any space. Available in 1G to 3G configurations, the Vynco Metro switch range is compatible with standard mechanisms and offers interchangeable options, providing flexibility for your installation needs. Larger terminals make wiring easier, while cabinet mounting screw options ensure a secure and tidy installation. The Vynco Metro range is customisable to suit your style even further. When purchasing the Vynco Metro, you have the option to upgrade the faceplate with Vynco Urban fascia plates. Choose from white, black or brushed aluminium finishes for a premium, tailored look that complements your décor. Built for everyday use, the Vynco Metro switches are perfect for both residential and commercial applications. Backed by a 5-year warranty, you can trust in the durability and performance of this stylish and reliable range for years to come.
