

Bayside Stroll 106cm DC Fan and Light in White with Clear Retractable Blades

SKU: 216129

Details

Effortless elegance meets practicality in the Bayside Stroll DC fan. With a clean white finish and 106cm size, it seamlessly integrates into any space. Featuring three durable ABS blades and an integrated LED light with CCT options, it offers customisable illumination. Designed for coastal environments, it ensures high airflow and smooth dimming, all controllable via its six-speed remote. Enjoy simplicity and functionality with retractable blades, making it a perfect addition to your home.

Retractable Blades

A cutting-edge fans that can be switched from a stylish pendant to a fan at the touch of a button, you can take your interior fashion to the next level. When turned off, the fan's typically obtrusive blades automatically retract and conceal, turning the device into a chic pendant. When activated, the blades spread out to move air throughout a space. Additionally, retractable blade ceiling fans are easier to maintain and care for because they collect less dust and feature cleanable blades.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Remote Control

6-speed remote control with timer function included. For instructions on how to pair the remote, please follow the steps in this video: Remote Pairing

Colour Changing Technology

Change the integrated LED light to Warm White, Cool White, or Day Light, as well as dim the brightness all via the included remote.

Coastal Rating

Suitable for indoor, alfresco, and coastal areas provided the fan is fully undercover, protected from water, wind, and dust, with a minimum of 1 wall.
