

Blair Touch Table Lamp with USB-C Charging Port in Aged Brass/Opal

SKU: 261550

Details

The Blair table lamp pairs a ribbed opal glass shade with a clean metal base for a simple, contemporary look. Available in brass or chrome with gloss opal glass, its compact proportions make it ideal for bedside tables, desks and smaller living spaces. The textured glass softly diffuses the light while adding subtle detail to the cylindrical silhouette. Touch control anywhere on the metal base makes the lamp easy to switch on and off, while a built-in USB-C charging port adds practical functionality for bedside use. Blair offers a more elevated take on an everyday table lamp, combining a refined finish with useful features. Its versatile design works easily across both classic and modern interiors.

Specifications
