Details

Bode LED Surface Mounted Downlight combines a modern cylindrical design with practical lighting functionality, making it ideal for kitchens, hallways, living areas and spaces where recessed downlights may not be suitable. Featuring a 12W dimmable integrated LED delivering up to 900 lumens, it offers three selectable colour temperatures (3000K, 4000K and 5000K) via a toggle switch inside the fitting, allowing you to tailor the lighting to suit your space. With a compact surface-mounted design, high CRI of over 90 and a 5-year warranty, the Bode provides a stylish and versatile solution for everyday indoor lighting. Available in White and Black finishes.
