Details

The Breton lamp collection blends a classic silhouette with natural materials, offering a versatile lighting option in both table and floor lamp styles. Its clean cylindrical outline makes it easy to style in any room, adding warmth without overwhelming the space. Choose from three considered colourways to suit your interior: black with a crisp white shade for a classic focal point, teak timber with a natural linen shade for relaxed elegance, or walnut with natural tones for a more organic feel. Whether placed in living areas or bedrooms, Breton brings a quiet, grounded presence to any setting. Backed by a 12-month warranty.
