

Brooklyn 1 Light Spotlight in Gun Metal

SKU: 159150

Details

Introducing the Brooklyn GU10 spotlight, uniquely designed with an inset adjustable arm. Enjoy the flexibility of a 350-degree adjustment, allowing you to direct light exactly where it's needed. Enhancing its aesthetic appeal is a ribbed accent ring, adding texture and visual interest to its design. For customizable lighting options, the Brooklyn GU10 spotlight comes with an optional honeycomb diffuser, which can be used to reduce glare and create a more diffuse ambient light. With three key metal finishes to choose from, you can effortlessly match your design. Plus, the adjustable GU10 Lampholder accommodates various globe sizes, ensuring compatibility with your preferred lighting setup.
